NOTE: The main reference for this workshop will be the 4R Nutrient Management Resource Guide. You must purchase this guide separate from your pre-exam registration. The Guide is available from the Ontario CCA office, 519-669-3350, or email laura.tfio@bell.net. A disclaimer is there needs to be a minimum of 10 individuals registered for the workshop to run. In the event of cancellation, you will be refunded.
