

## Soil & Water Information Day

Wednesday, November 18, 2020

9:00 a.m. to 3:45 p.m.

Via Zoom

- Due to the ongoing COVID-19 pandemic and renewed tightening of some meeting and travel restrictions, the 2020 Soil and Water Information Day is moving to a virtual event this year.
- Connection details will be provided closer to the event via email.
- The sessions will be recorded and posted for two weeks following the event for anyone who registers but is unable to watch live.
- Registrants will receive the web link via email for the sessions for which they registered following the event. We will be cross-referencing the list of everyone who claims CEUs for the sessions against the registration list so do not share your link with others.
