

Sales Agronomist

Hoegy's Farm Supply Ltd. is a dynamic, well-established crop input business based in the heart of agriculture in Perth and Huron Counties.

We are currently looking for a Sales Agronomist to begin immediately. The position is full-time including benefits for the successful candidate.

Responsibilities:

- Promote crop scout program by walking fields, recording results, and working with growers.
- Make customer calls in person, by phone and by using digital platforms.
- Develop and implement grower crop protection and fertility programs.
- Build trust and relationships with customers through ongoing agronomic support.
- Sell and support designated seed brands.
- Pursue new and existing opportunities to help grow the overall business.
- Be available to work extended hours during busy season.

Candidate Will Possess or Be Willing to Achieve the Following Qualifications:

- Excellent professional, organizational and communication skills.
- Ability to work proactively with a broad range of customers.
- Ability to work in a team environment and independently as required.
- Certified Crop Advisor designation or ability and desire to obtain.
- Desire to continually upgrade sales, agronomy and precision Ag skills.
- Ability to work effectively and efficiently with computers and digital platforms.
- Valid G license.
