

## CANOLA AND EDIBLE BEAN SPECIALIST

Are you passionate to help transform new canola and edible bean research and ideas into practical programs, products, and services? Interested in Ontario's agricultural sector to see it remain competitive and environmentally responsible both now and into the future? Do you have knowledge of Ontario's agriculture industry? If so, consider this opportunity to provide technical expertise, advice and support to the development and implementation of canola and edible bean focused projects to support the agriculture sector.

Please note that this job posting for OMAFRAs Canola and Edible bean specialist is a great opportunity to learn the role over a temporary 12 month position and is based out of the Stratford OMAFRA Regional office. Online application opens Wednesday, July 13. Deadline to apply is Wednesday, August 3, 2022, 11:59 pm EST.
