HST # 83432 8452 RT0001

The main reference for this workshop will be the 4R Nutrient Management Resource Guide. You must purchase this guide separate from your recording registration. The Guide is available from the Ontario CCA office, 519-669-3350, or email [laura.tfio@bell.net](mailto:laura.tfio@bell.net)

Recordings will be emailed to you and you will get unlimited access until the exam closes. Do **not** share these recordings with others.
