## Operations Manager

### Parrish & Heimbecker

Join our team that shares your Passion & Heart for Canadian agriculture! Parrish & Heimbecker, Limited (P&H) has an opportunity for a motivated, forward-thinking, and dedicated individual as an Operations Manager for our Grain division based in Breslau, Ontario.

### Work and grow with a family-owned company.

Join our team with Purpose & History! P&H's roots go back over 110 years. We have always been a Canadian, family-owned and managed agri-business that understands the qualities and conditions needed for meaningful growth. Our corporate culture values are family values; honesty and integrity with a focus on listening and continuous learning. Like family, we support our staff to always do better.

With over 70 locations spanning from coast to coast, and trade links around the globe, P&H is growth-oriented, diversified and vertically integrated with operations spanning across grain merchandising, flour milling, crop input distribution and animal feed production.

### Benefits

Parrish & Heimbecker Ltd has a people-first approach therefore, we offer many perks to our hard-working staff! Some of our benefits include:

- Learning and Development Programs
- Dental, Vision, and Extended Health Care
- Tuition Reimbursement
- Employee Assistance Program
- Paid Time Off
- RRSP Matching
- Wellness Program
- Company Events

### Your Role

As Operations Manager, the successful candidate will oversee and manage the overall performance, maintenance, and safe, efficient operations of our Shantz Station Terminal.

## Day to Day

- Responsible for the business development and customer service operations of the facility
- Manage the quality control and blending of grain
- Oversee the daily operation of the facility
- Perform regular maintenance and repair on facility equipment
- Supervise and develop Elevator Operators to ensure business needs are executed safely, efficiently and profitably
- Oversee food safety compliance
- Work collaboratively with other business areas and departments

## Qualifications

- Minimum 3 years' experience in the operation of a grain elevator
- Thorough knowledge and understanding of the grain industry, including grading factors and elevator equipment
- Experience in team management or supervision, demonstrating effective leadership abilities
- Proven analytical, critical thinking, and effective problem-solving capabilities
- Proficient computer skills with aptitude for learning and adapting to new software applications
