- Proficiency in Microsoft Office
- Certified Crop Advisor (CCA), an asset
- French language required for Prescott and Russell county and an asset for the other counties

## Key Competencies

- **Quality Focus**– Attends to task at hand to minimize errors and provide consistent delivery of work to the highest possible standard; prior to work being distributed
- **Client focus**– Meets the expectations of internal and external customers through establishing effective relationships, gaining trust and respect
- **Information gathering**– Locates and collects data from appropriate sources and analyzes it to summarize in reporting
- **Initiative**– Proactively identifies and handles issues and situations to take action; seizing opportunities when they arise
- **Efficiency**– Effectively plan and organize time and resources to prioritize work to effectively meet objectives
- **Program knowledge**– Knows and understands the programs and services provided by Agricorp

## Background

### **Agricorp, an agency of the government of Ontario.**

Agricorp delivers government programs. These programs help protect the livelihood of over 47,000 Ontario farmers against the many risks farm businesses face every day. Our employees are skilled professionals who respond when industry and government need us, manage public funds with great care and integrity, and deliver a quality customer experience.

Agricorp helps grow Ontario agriculture. We underwrite \$6-8 billion in risk each year. The agency was established in 1997, and since then we've made over \$8 billion in payments to farmers when they needed it most.
